Bangkok, 21<sup>st</sup> December 2017

Dear President,

I have the great pleasure to inform you that the University of Bologna, one of the most ancient and prestigious Colleges based in Italy, will be granting scholarships to foreign students who are willing to study in Bachelor degree, Master degree and Single courses in the academic year 2017/2018. The amount of each scholarship is Euro 11.000 gross.

I believe it is a magnificent and fruitful occasion for further strengthening the cultural collaboration between Thailand and Italy.

On one hand University of Bologna would be pleased to welcome Thai students and let them participate to its academic activities; on the other one I am convinced that the winners would benefit a lot from such an interesting experience overseas.

Please do find, enclosed, the publication of posters in Italian and English concerning the basic information of the initiative. The complete announcement can be reached through the following link:

I would very much appreciate and I will be extremely grateful if your relevant Offices could be kind enough to draw the attention of your students on the mentioned opportunity through communications and media channels.

I seize this occasion to renew the assurances of my highest consideration and to wish you Merry Christmas and a very Happy New Year.

Yours sincerely,

Francesco S. Nisio
